How is this support currently funded?							
Please provide us a with a background of your organisation and the work that you have been doing. <i>Please send photos of your various events and donations to info@palesapads.com with this form. Can you provide potential sponsors with some insight as to the alternatives that the girls are currently making use of while staying at home during their menstrual cycle when they cannot afford sanitary pads. <i>Again, a letter from the school confirming this would make a big difference to a sponsorship application</i>

If you were to choose from the below options recommended for schoolgirls, which would you choose?

In your experience, do most of the girls have access to running water?	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Are they likely to have a spare bucket in which to wash their pads? What about washing powder and soap? How about white spirit vinegar?	<input type="checkbox"/> Yes <input type="checkbox"/> No		
If you answered no to any of these questions, please explain			

With a completed form and photos and other letters/documents, we can prepare a proposal to potential sponsors for you. We will do our best to find someone to help but we make no promises, these things take time. There is a lot of red tape to get through but rest assured, we're on it!

If you would like us to include your branding in the proposal please send the best quality image you have of your logo.

Looking forward to hearing from you.

Kind regards,
Shérie aka Palesa (CEO)
